

THE BOOK OF JONAH

Discuss Together:

1. How should we respond to the repentance of others? How did Jonah respond?
2. What happens when we have good theology, but no compassion?
3. When was a time where God showed compassion to someone you did not feel deserved it? How did you respond?
4. How does bitterness cause us to misunderstand God's compassion for all people?
5. What does Jonah ask of God (4:3)?
6. What does our behavior reveal about our view of God's character?
7. In what ways do you find yourself acting like Jonah?

Pray Together:

1. Praise God for His character (4:2b)
2. Confess ways you have allowed bitterness to creep into your heart. Repent of any anger or bitterness in your heart.
3. Thank God for the patient compassion He has shown you
4. Commit to replace anger with love

Live It Out:

1. Get rid of anger by seeking reconciliation
2. Memorize James 1:19-20 and begin to put it into practice
